Employment

Enviromedia Social Marketing, Austin, TX

Interactive Developer Wrote all the backend code for sites produced. Also did some front-end development, database design, and usability work. Worked on creative concepting for campaigns.
03/08 - present

The Texas Observer, Austin, TX

Webmaster Maintained and expanded the *Observer's* Web presence. Completed a pretty substantial redesign. Increased the magazine's multimedia content. Worked on marketing and advertising efforts.
05/07 - 02/08

Web Design Intern Assisted with maintenance of the site, did some backend programming and wrote some JavaScript.
02/07 - 05/07

The Museum of Fine Arts, Houston, TX

Works on Paper Intern Worked with the director of the Works on Paper Study Center. Was essentially a photography intern, which was great by me. Looked at prints all day. Catalogued. Researched oddities of interest. Ended the summer with a presentation on Flaubert, Captain Cook and others.
05/06 - 08/06

The Undecided, Austin, TX

Editor Planned and wrote stories, guided young reporters and attempted to keep them from running ridiculously amok. Edited, designed and proofed the magazine. Also put on a play.
08/05 - 05/06

The Daily Texan, Austin, TX

Senior Feature Writer Enterprised and wrote one feature a week. Also did a bit of design. Covered the Muppet beat a bit more thoroughly than it has been since. Sometimes illustrated my own stories.
05/05 - 08/05

Architex, Austin, TX

Design/Build Apprentice Assisted architect Joe Bedell with all phases of construction projects from planning to execution. I also go back and light his furnace every year when it gets cold.
